PACKAGING

01 Stand-up Pouch

These are the most popular packaging option for snacks. They are great for maintaining freshness, protecting your snacks from moisture and providing a great shelf presence. They come in a variety of sizes and colors, and can feature a zip-lock closure.

02 Pillow Pouch

These are perfect for snacks since they are lightweight and provide great visibility for your products. They also provide excellent product protection.

03 Pet Jar or Pet Can

Containers can be used to package snacks such as makhana, nuts and chips etc. They are usually made from plastic and feature a lid for easy access.

04 Composite Paper Can

These are available in a variety of sizes, shapes, and styles to meet the needs of a variety of snack products.

05 Gift Packs

Gift packs are great for packaging snacks for special occasions. They can be a great way to offer a variety of snacks in an attractive package.
